

# InovSafeCare

WELCOME!

## InovSafeCare Project webinar 26-28.10.2021

**Welcome to the Educating students for innovative infection prevention and control practices in healthcare settings (InovSafeCare) project webinar, which is held online on 26-28.10.**

InovSafeCare webinar provides information about the innovative learning methods created in the project: InovSafeCare Model, MOOC (massive open online course) and Simulation scenarios. Also study results about infection control education and learning experiences are presented and innovation and entrepreneurship methods are discussed in fostering infection control competence in health care.

Webinar is hosted by Savonia University of Applied Sciences, Kuopio, Finland.

Note, that the content of the webinar is similar every day.
